

Holiday Camp

Fun, Learning and Growth All in One Place

Our Holiday Camp is designed to support busy families while giving children an enriching, joyful experience during school breaks.

Children learn new skills, make friends and stay active in a safe, supervised environment — so parents can feel confident and relieved.

About the Camp

- Safe, structured and enjoyable
- Creative, active and STEM-inspired
- Designed for busy families
- A balanced mix of learning, play and rest

Suitable For

- Children aged 6+
- Creative and curious young learners
- Families needing flexible support
- Children who enjoy learning, playing and making friends

Why Families Choose Us

Our camp takes place in trusted local venues, including church activity spaces and school facilities. Children enjoy a safe, structured and engaging day with DBS-checked staff, friendly tutors and flexible extended care, giving parents confidence and peace of mind.

What Children Experience

A balanced mix of creativity, activity, discovery and free play

Our camp gives children the chance to explore, create, move, listen, communicate and make friends in a safe and supportive environment.

STEM Discovery

Hands-on challenges, simple experiments and problem-solving games that encourage curiosity, logic and creative thinking.

Sports & Movement

Fun movement activities and team games that help children build coordination, confidence and energy.

Creative Workshops

Art, music, drawing, craft and storytelling activities that support imagination, expression and creative confidence.

Bilingual Film & Story Time

Guided animations, film clips and stories that support listening, communication, cultural awareness and confident expression.

Free Play & Social Time

Supervised free play, reading, board games and relaxed activities that help children recharge, connect and make friends.

Bilingual Literature

Teacher-guided reading of Chinese and English books, with creative writing activities to develop literature.

Every day is flexible, age-appropriate and enjoyable — with a healthy balance of learning, movement, rest and social interaction.

Activities may vary depending on the day, theme, age group and seasonal programme.
